

UniFi Direct Attach Copper Cable - 2 Meter

UDC-2

SKU: 109653 UPC: 817882020534

Transcend the limitations of Gigabit Ethernet and standard Fiber Channel connectivity with the UniFi Direct Attach 10 Gb/s Copper Cable from Ubiquiti Networks. This SFP+ copper cable supports both 10 Gigabit Ethernet and 10 Gigabit Fiber Channel connections to meet the ever-growing demand for high-speed connectivity in data centers and other network configurations.

Features:

- SFP+ Passive Cable
- 10 Gigabit Ethernet Applications
- 10 Gigabit Fiber Channel Applications
