

## 60-Watt Bluetooth-Enabled Mixer/Amplifier

VMA260

SKU: 80135    UPC: 691991004551

The JBL VMA Series is a cost-effective line of Mixer/Amplifiers with low impedance functionality (4 $\Omega$ , 8 $\Omega$ ) and high impedance 70V and 100V output. They are designed with convenient and flexible features to be used by commercial integrators worldwide, ideal for emerging markets.
