

CAT7A Low Smoke Zero Halogen
10GBaseT UTP Cable 1000' Spool - Ice
Blue

CAT7A-LSZH-BL

SKU: 178530 UPC: 817777011227

Category 7 (Cat 7 Bulk Cable) S/FTP 1200MHz cables meet ISO/IEC 11801 Ed2 CLASS F standards for Category 7 performance.

Each Cat 7 S/FTP cable is performance optimized with 4 balanced twisted pairs, 23 AWG PE foam insulated solid bare copper conductors. Each pair is AL Foil shielded eliminating cross talk; and an overall tinned copper braid shield that provides exceptional interference protection. Each Cat7 cable is constructed to create a round and flexible cable for easy pulling and stripping of the low smoke zero halogen (LSZH) cable jacket.

The SCP Cat 7 S/FTP cable is packaged on a 1000 ft/ 305 meter wooden spool/drum.
