

IQ4 Hub 915 MHz - AT&T

IQPH058

SKU: 179859    UPC: 00850037136391

Qolsys IQPH058 IQ4 Hub 915 MHz - AT&T. The IQ4 Hub is a 7" all-in-one touchscreen with 8 core processor, LTE & WiFi Dual Path. The IQ4 Hub offers all the most popular features for users, without some of the more exotic features that many users may deem unnecessary. By including only the most desirable features, Qolsys is able to keep the price of the IQ4 Hub down. This IQ panel only supports a single RF frequency for sensors. This too helps to keep the price down, at a time when users are choosing to prioritize low prices over esoteric features.

### Features
