nest

Nest Smart Programmable Wifi Thermostat - Charcoal

GA02081-US

SKU: 173133   UPC: 193575007670

Control the temperature in your house with the Nest Thermostat. You can install it yourself in 30 minutes or less. Operate it from anywhere using the Google Home app. For convenience, it tracks temperatures and shuts itself off when you leave.

Features

- The Nest Thermostat helps you save energy by turning itself down when you leave the house, so you don't waste energy heating or cooling an empty home; Savings Finder looks for ways to help you save even more
- Control from anywhere with the Google Home app
- Nest Renew makes it simple to support clean energy right from home
- Easy to install and use- Usually in 30 minutes or less; to change the temperature, just swipe the touch bar on the side or use the app
- Change the temperature with your voice - The Nest Thermostat works with Hey Google on your phone and Nest speakers and displays; It also works with Alexa on other smart devices
- Nest Thermostat's perfect match -The Nest Thermostat Trim Kit (sold separately) is designed to cover imperfections on the wall from removing your old thermostat, and comes in perfectly matched colors
- The Nest Thermostat is designed to work without a C wire in most homes, but for some systems, including heating-only, cooling-only, zone-controlled, and heat pump systems, you'll need a C wire or other compatible power accessory
- Nest Renew works with your compatible Nest thermostat to help you automatically prioritize usage to when energy is cleaner or less expensive
