

## 54 Space VMRK Series Rack, 22" Wide

VMRK-54

SKU: 15700    UPC: 65674702356

This taller version of Middle Atlantic's broadcast standard 22" wide rack has extra height for taller spaces – delivering a full 54 rack spaces in the same floor space as a standard rack. Built-in horizontal lacing bars enable quick tie-and-slide lacing of video cable bundles. Specify a VMRK to maximize capacity, and where seismic certification and open or removable sides are required or preferred.

### Features

- Fully welded construction for strength
- 54 spaces of racking height
- Racks gang together when fully loaded
- Multiple lacing points and slotted rail brackets for cable management flexibility
- Standard front and rear adjustable 10-32 threaded "L-Rail" with numbered spaces
- Includes standard solid locking rear door
