

12" Two-Way Powered Line Array Loudspeaker

VRX932LAP

SKU: 164844 UPC: 50036903493

The VRX932LAP is a powered, lightweight, compact 12" two-way line-array speaker system designed for use in arrays of up to five units. VRX932LAP is the ideal choice when line-array performance is needed but the venue size doesn't call for the very long-throw characteristics of larger line-arrays and a fast and easy setup is vital.
