

Claro 6-Gang Screwless Wallplate - Stainless Steel

CW-6-SS

SKU: 108949 UPC: 027557223294

Claro Wallplates are a simple and elegant solution designed to match your existing decorator opening dimmers, switches and accessories. They feature a clean appearance with no visible screws and mount flush to the wall. Claro Wallplates are oversized to hide gaps around wall boxes and attach securely and snugly in place regardless of the wall condition. Claro Wallplates are easy to install. Simply separate the front and back plates, attach the back plate to the wall with the screws provided and snap on the front plate for a clean and sophisticated look in just minutes.

Features

- All Lutron wallplates are screwless, seamless and have no visible hardware; the front plate securely snaps into the alignment adapter plate
- Designer wallplates use standard ganging
- Snap-on installation is quick and easy
- Can be used in conjunction with the following dimmer(s) and switch(es): Maestro, Maestro IR, Maestro Wireless, Pico wireless control, Spacer System, Diva, Lyneo Lx, Skylark, Skylark Contour
