

16-Channel Pro Series Commercial Stream Video Recorder

ADC-CSVR2000P-2X3TB

SKU: 181105 UPC: 85001077338

The Alarm.com ADC-CSVR2000P-2X3TB is a ProSeries commercial stream video recorder with 2x3TB=6TB terabytes hard drive storage that provides up to 16-channels of video input. The Alarm.com ADC-CSVR2000P-2X3TB Commercial Video is a powerful, easy-to-use solution for commercial properties that integrates with the Alarm.com for Business platform. As part of the platform, recorded video is automatically tagged with important events, like a door being accessed or an alarm activation. This allows you to quickly jump to footage of the event using the Alarm.com mobile app or website anytime, anywhere. The CSVR2000P Pro Series Commercial SVR is a cloud-managed storage solution for 24/7 local video recording. Continuously record up to 16 camera streams at up to 4MP resolution (2688 x 1520) when using Alarm.com Pro Series cameras.

Features

- Simplified networking with discrete RJ45 port for dedicated camera network
- Local storage on two hard drives (2x3TB=6TB total hard drive storage)
- Rack-compatible (1U) industrial design
- Outputs for up to 2 4K monitors
- USB 3.0 outputs for fast video clip export
