

Kwikset

916 SmartCode Traditional Touchscreen Deadbolt w/ Z-Wave Plus Technology - Satin Nickel

99160-038

SKU: 180567 UPC: 88335185939

The SmartCode 916 features a capacitive touchscreen with Kwikset's patented SecureScreen™ technology to prevent code detection from fingerprints on the touchscreen. The traditional design complements homes with a classic or transitional décor.

Features

- Featuring SmartKey Security™, which protects against advanced break-in techniques and allows you to re-key your lock yourself in seconds.
- SmartKey Security™ re-key technology is compatible with Kwikset (KW1) keyway or (SC1) keyway options
- Deadbolt Latch is 20 minute fire rated with round corner face
- ANSI/BHMA grade 2 certified
- Latch has adjustable backset 2-3/8" to 2-3/4" to fit all standard door preparations
- 1 inch deadbolt throw
- Locking mechanism functions with turn piece on the interior of the lock
- Meets or exceeds Underwriter Laboratories (UL) testing requirements specified for each product grade or rating
- Keypad stays lit for 5 seconds after inactivity
- Expanding your security system solution with Home Connect technology, your keyless entry lock will now communicate wirelessly to security and home automation systems via Z-Wave
- 30 second Auto-Locking feature available
