

## DM95 On-Wall Surround Speakers

DYMEENSION DM95

SKU: 181253    UPC: 747192137243

The Dymension DM95 surround speaker is the answer for dynamic, immersive, room-filling surround sound. Thoughtfully engineered to envelop you in thrilling, detailed, high-definition audio, the wall-mountable DM95 can be used as side or rear surrounds, for tailoring your system to your room.

A new driver design provides smooth extended response with crisp transients, exceptional definition, and pinpoint-precise imaging, for incredible clarity and lifelike realism.

DM95's 5.25" mid/bass woofer features our patented Balanced Double Surround System technology, which improves midrange driver excursion and provides a wide, uniform soundstage with seamless bass/mid integration. A Linear Response Waveguide™ extends and smooths off-axis dispersion for great sound everywhere in the room.

### Features

- This on-wall surround speaker matches other Dymension™ Series speakers
- Flexible for use as side or rear speakers
- The aluminum oxide tweeter produces crisp, sparkling highs
- A 5.25" BDSS™ driver provides balanced sound and a wide listening area
- Timbre-matched to perfectly blend with other Definitive Technology speakers
- Made for Dolby surround, Dolby Atmos, and DTS:X systems
- Perfect for movies, music, and games
- Understated design so the speakers virtually disappear into the room
