

Sony Professional

55" 4K HDR Professional Display

FWD-55X75K

SKU: 181610

Display stunning picture quality with the Sony FWD-55X75K 55" 4K HDR Smart Commercial Display and TV. Designed for public spaces, this display is ideal for businesses, schools, doctor's offices, and more.

Powered by Sony's Processor X1, the display delivers a clear 4K Ultra HD picture, enhanced by HDR support for rich colors and dynamic contrast. Even lower Full HD content can look near-4K on the X75K, thanks to Sony's X-Reality PRO upscaling technology. With its built-in ATSC tuner, Google TV, Chromecast, and Apple AirPlay 2 support, the FWD-55X75K displays content from almost anywhere.
