

Smart Wi-Fi Light Bulb, Multicolor - 2 Pack

Tapo L530E(2-Pack)

SKU: 182095 UPC: 840030703911

TP-Link Tapo L530E Smart Wi-Fi Light Bulb, Multicolor - 2 Pack. Your customers can easily design scenarios for their daily routine or special activities by customizing brightness, color temperature (2,500-6,500 K), and colors—with 16,000,000 hues to choose from. The brightness can be managed with ease and is easily dimmable via the app. Users have the ability to create regular schedules to turn on/off with the brightness they set. Sunrise and sunset modes allow the light to activate automatically according to the time zone.

Features

- Multicolor – Easily design scenarios for your daily routine or activities by customizing brightness, light temperature, and colors—with 16,000,000 hues to choose from.
- 60-watt equivalent – LED bulb produces up to 806 lumens white brightness and has a dimming range from 1% to 100%.
- Preset for Convenience – Found your favorite lighting for watching movies? Save it as a setting you can simply select for future movie nights.
- Schedule & Timer – Create schedules and count plans to turn on/off with the brightness/color you set.
- Sunrise and Sunset Modes – Automatically activate your light according to your time zone.
- No Hub Required – Connect the L530E light to your home wifi, then you are all set.
- Voice Control – Manage the lights with your voice commands as Tapo works with Amazon Alexa and Google Assistant.
- Remote Control – Take your phone out for the pocket and open the Tapo app to control your light remotely.
- Away Mode – Automatically simulate someone being at home to frighten away, unwanted visitors.
- Restore Last Light State – the bulb automatically returns to its previous power-off state.
