

Ethereal Ultra-Flex Slim HDMI Cable - 2M

MHY-LUHDME2

SKU: 182209 UPC: 08642942203

Metra MHY-LUHDME2 Ultra-Flex Slim HDMI Cable, 2 M.

Plug into a better AV experience. In the past, some sort of “black box” was needed to achieve the 48Gbps required to support the latest in video and gaming hardware advances. The MHY Ultra-Flex 48Gbps HDMI® cables meet this challenge with a passive design that is, literally, years in the making. The Ethereal Home Theater development team used a combination of advanced metallurgy and cable topology technology to meet the needs of the latest sources and game consoles without the need for added “booster” electronics. The result is a slim, flexible, and easy to install cable suitable for tight spaces, TV mounts, and equipment racks that meet your 48Gbps needs.

Features

- Supports 8K/10K DHDR
- 24K gold-plated Grip-Lox™ connector for securing cable to source and display devices
- Increased tensile pull tension without the risk of damaging connected equipment
- Multi-layer shielding
- Audio return channel (eARC/ARC)
- 48 Gbps
