

Silver Series HDMI Cable, 6'

HS-HD806

SKU: 182585 UPC: 08642942984

The Silver Series is equipped with a unique low profile design that will provide you excellent performance and a versatile form factor that will increase the simplicity of your installation. The versatility of this series makes it a great choice in your equipment cabinet and on a full motion TV mount. This series also includes a locking HDMI® connector to prevent accidental cable slippage and color-coded inserts for improved organization. The Silver series of HDMI® cables fully support all HDMI® 2.0 devices, HDR, Dolby Visions, Dolby Atmos and HDCP2.3.
