

Red Series HDMI Cable, 12'

HS-HD712

SKU: 182592 UPC: 08642942988

Flexibility and small terminal size are just the first benefits offered by the Red Series HDMI® cables. To make your system hookup and cable identification easy, every Red Series cable comes with (2) sets of colored jewel inserts (5 colors) for each terminal, the low profile cable diameter also adds to the ease of setup. The Red Series of HDMI® cables fully support all HDMI® 2.0 devices, HDR, Dolby Vision, Dolby Atmos and HDCP 2.3.

Features
