

LINEAR™

Wall Mount Bracket for IV200/400 Dome Cameras

IV-218

SKU: 182873

The IV-218 is an L-shaped mounting bracket which enables the installation of Linear IV200/400 Dome Cameras directly onto a wall or via the Linear IV-719 Junction Box, IV-312 Pole Mount Bracket, or IV-412 Corner Mount Bracket.

Features

- Supports IV200-2DFW, IV200-4DFW, and IV200-2TFW via the IV-52E Mounting Adapter
- Supports IV200-2DVW and IV400-5DVW via the IV-528 Mounting adapter
- Linear IV-719 Junction Box is recommended for applications where IP66 rating is necessary
- White color to match Linear IV Camera
