

Wire Trak

FE000375RFWHT50 50' Roll Form
Raceway (3/4" x 1/2")

FE000375RFWHT50

SKU: 182849

Co-extruded one piece design featuring a patented, durable, flexible hinge connecting the base and cover, identical to the 1-Piece Latching Raceway, just with more storage convenience! Push unused raceway back through the forming/recoil device to recoil and use for your next installation. Wire Trak's patented forming/recoil device comes installed in every dispenser box. Dispenser boxes may be reloaded again and again. Raceway comes with a pre-applied foam tape for quick and easy installation.

Features

- 1-Piece Latching Coiled Self-Forming Raceway
- Dispenser box pull up to 50' of fully formed raceway ready for use
- No waste, use only what you need
- Visually and dimensionally identical to 1-Piece Latching Raceway
- Pre-applied foam tape for easy installation
- Compatible with all raceway accessories
