Z-Wave Touchpad Deadbolt - Oil Rubbed Bronze

KA211-003-ZW

SKU: 182900 UPC: 85004617300

Kaadas KA211-003-ZW Z-Wave Touchpad Deadbolt in Oil Rubbed Bronze. Upgrade to a Z-Wave smart lock for compatibility with most smart home systems.

Features

- Up to 250 user PIN codes
- Compatible with existing door prep, easy to DIY
- Backlit touchpad to enhance visibility
- ANSI/BHMA Grade 2 certified
- IP65 rated dust and water proof
- Access via PIN code, mechanical key, Z-Wave system app
- Auto lock: Set your lock to automatically lock after a certain period of time.
- One-time PIN codes available: Share One-Time PIN Codes with friends, family members, or service providers.
- Lockout mode
- Away mode: This is a safety feature when you leave for vacation or a long trip, disabling all User PIN Codes.
- Silent mode: The sounds when pressing the keypad can be muted. However you will still hear low battery warnings and system alerts.
- Wrong entry limit: After 10 failed unlocking attempts, the device will switch off for 3 minutes.
- One-touch locking: Press any of the buttons on the keypad for 2 seconds to lock the device without a key.
