Kaadas

Z-Wave Fingerprint Keypad Deadbolt - Oil Rubbed Bronze

KA202-003-ZW

SKU: 182909   UPC: 85004617324

Upgrade to the KA202 Z-Wave smart lock for compatibility with most home security systems. A total smart home experience begins with a Kaadas smart lock. The Kaadas KA202 smart lock supports keyless door-unlocking methods that are perfect for your kids, parents, dog walkers & more. Stores up to 50 fingerprints for family members. 3D biometric sensor recognizes your fingerprint in 0.3s. Create and Share One-Time PIN Codes with friends, family, or service providers. Once a one-time code is used, it automatically deletes itself from the device and cannot be used again by anyone else without any additional work from you.
