

## Optional Mud (Plaster) Ring Construction Bracket for Control 24C and 24CT

MTC-24MR

SKU: 95206    UPC: 691991300417

Mud ring, or plaster ring, with a circular offset that installs before sheetrock, serving as an integral ring extension for drywall "mudding", and forming an edge guide for sheetrock plastering. It is designed for installation mounting of the JBL Control 24C, 24CT, 24C Micro, 24CT Micro And 24CT Micro Plus series of ceiling installation speakers.
