

## Wired Door Chime - White

GC-DBC-C1

SKU: 63936    UPC: 93863140624

GoControl Smart Doorbell Camera is the state-of-the-art video doorbell with weather-proof and hardwired design! See or speak with anyone at your door securely... right from your smartphone app! Anywhere. Anytime. Even at night! Every GoControl Smart Doorbell Camera comes with a smartphone app available for multiple users and devices. See live video of who is at your door and have a two-way conversation with your visitor or the delivery person even if you are not home. Our Doorbell Camera is designed to last the life of your system. It is sealed and hard-wired which makes it highly durable and low maintenance an advantage that most other doorbell cameras cannot claim. Easy sale for professional installers! With advanced motion detection the GoControl Smart Doorbell Camera can alert you to the presence of visitors before they even ring the doorbell. Improve your home security by knowing who is at or has been at your door. You can also see who is at your door in near total darkness with our advanced Night Vision mode.

### Features:

- See who is at the door with free "My Doorbell" (iOS/Android) app
