

Large Flat Panel Swing Arm Wall Display Mount - 37" Extension

PDRUB

SKU: 5512 UPC: 841872051659

This swing arm mount allows for perfect flat panel display placement and ensures ideal viewing from any angle.

Features:

- Centris Technology tilt mechanism adjusts to provide fingertip tilt with most flat panels
- Post-installation height adjustment up to 1" (25 mm) for ultimate installation flexibility
- Q-Latch Mounting System secures flat panel to mount with a latching flag
- Extends 37" (93.98 cm) for viewing from any angle and remains low-profile in home position
- CableTrac System provides built-in cable management channels inside the arms for a clean installation
- Screen can be installed in portrait or landscape orientation (PAC400 accessory can be used to rotate without removing the screen).
