

Extra-Large Tool-Free Projector Mount

VCT000B

SKU: 184605 UPC: 84187217244

The VCT000B Extra-Large Universal Tool-free Projector mount was designed to install quickly while maintaining a sleek aesthetic. Lighter and slimmer than its predecessor, the VCM, the VCT works well with laser projectors between 50-150 lbs. Tool-free MicroZone adjustment ensures accurate and reliable image registration.

*Requires an HC Interface (Picture includes interface) - Sold Separately
