Large Premium In-Wall Full-Motion Mount

VIWLF128-B2

SKU: 184735 UPC: 79379553874

The VIWLF128-B2 Large In-Wall Full Motion mount provides the optimal viewing experience with space for AV components built in. This full motion mount extends 28" with up to 67° of swivel left and right and sits just .5" from the wall when recessed. Mount arms fold into a 20" enclosure that can double as AV storage for streaming devices, switches and more. With knockouts to add power (not included) and cable management, The VIWLF128 offers a stylish industrial design that achieves the ultimate all-in-one AV experience. For TVs 42"-85".

Features

- In-wall box fits between two 16" on center studs
