

2MP WiFi Video Doorbell Camera - Bronze

ADC-VDB750-BZ

SKU: 184899 UPC: 85003818632

The Alarm.com ADC-VDB750-BZ is the latest addition to the Alarm.com family of video doorbell cameras in a bronze finish. The ADC-VDB750 doorbell offers crystal clear 2MP picture and an expansive 165° horizontal and 145° vertical Field of View so customers can see and do more at the front door.

Alarm.com's powerful People Detection and crisp Two-Way Audio help reduce false notifications while bringing increased awareness and allowing users to communicate with visitors. Plus, a wide range of operating temperatures increase install flexibility making this a great choice in any environment.

Features

- Two-Way Audio
- Expansive 165° horizontal and 145° vertical Field of View ensures customers get a full picture of what's happening at their front door
- Video Analytics with rapid People Detection for faster, more relevant alerts and fewer false notifications
- Full HD resolution, High Dynamic Range (HDR), and infrared night vision
- Compatible with the Alarm.com Smart Chime (ADC-W115C)
- 2MP live video and saved clip viewing via the app and customer website
- Dual antenna (2x2 MIMO) WiFi for improved range (2.4 GHz and 5 GHz)

Dimensions (W x L x D)	1.5 x 4.81 x 1.18" assembled with back plate (38 x 122 x 30 mm)
Color	Bronze
Recording compression	H.264
Ingress protection	IP65
Max resolution	1440 x 1440
Image sensor	1/2.4", 2.36 MP, HDR
Lens (angle of view)	165° horizontal, 145° vertical
Low-light sensitivity	0 lux with IR
IR range	Up to 15 feet (5 meters)
Image adjustments	Flip, brightness, contrast, saturation, sharpness, exposure
Wireless connectivity	802.11 b/g/n/ac, 2.4 & 5 GHz
Operating temperature	-58° - 122° F (-50°C - 50°C)
Operating humidity	Up to 95% (noncondensing) RH
Activity Detection	Advanced Video Analytics for People Detection
Audio	Two-Way Audio (Full Duplex)
AC transformer	16-24 VAC, 10-40VA (16VAC, 10VA recommended)
DC transformer	15-24 VDC, 6-20W
