

## Motion C10 High-Performance Center Channel Speaker - Walnut

MC10WNT

SKU: 185541

The ideal compact Center Channel option to deliver crystal clear dialogue perfectly complimenting your Motion home theater system. The angled flippable cabinet design of Motion C10 allows the option to angle the speaker upwards towards the listener when it is mounted on a lower shelf, helping to improve dialogue clarity. Performance and practicality were top concerns for Motion C10, so its relatively compact size makes it compatible with more furniture options than larger designs.
