

## Maestro Single Pole Dual Dimmer and Switch - Light Almond

MA-L3S25-LA

SKU: 32336    UPC: 27557289139

Find the Lutron dual dimmers you need for every home improvement project at PROLIGHTING. The Lutron MA-L3S25 dimmer and switch combination provides two controls in one accessory. Replace the stacked switches in your kitchen and bathrooms with this easy-to-use and easy-to-install Lutron dual switch, with no neutral wire required for installation. Use the switch to operate magnetic or electronic low voltage, incandescent, and non-dimmable fluorescent lights. Use the dimmer to operate incandescent or halogen lamps. Not compatible with LED lamps.

### Features:

- Available in 27 colors
- Requires Lutron Claro wallplates to complete installation (sold separately)
- One-year warranty
