

Simply45

Standard J Hooks Size 2" with Retainer Pin

S45-JH32-10

SKU: 185960 UPC: 810093723195

Offered here in a 10-pack, these 2" Standard J-Hooks from Simply45 provide you with a robust retainer pin for holding low-voltage cables. The J-hook mounts on a wall or a vertical surface, and the retainer pin secures and keeps the cable bundle in place during the pulling and installation process. The J-hooks are made with high-quality steel and are double zinc plated for optimal corrosion resistance. Each J-hook holds approximately 84 Cat 5e cables, 54 Cat 6 cables, or 27 Cat 6a cables.

Features

- Holds Low-Voltage Cable Bundles
- Supports 84 Cat 5e / 54 Cat 6 Cables
- Corrosion Resistant
- UL and cUL Listed
