

# SAVANT

## Echo Wireless Switch V2 - Snow White

WPS-SWS102V2-00

SKU: 185402    UPC: 863184007025

The Savant Echo Wireless Switch is designed to replace traditional switches with intuitive, multi-button scene control. Buttons on the switch can be programmed to activate Scenes including lighting, shades, climate, AV and other services. Supports 5 GHz and 2.4 GHz Wi-Fi bands. New Roaming Assisted Discovery (RAD) allows multiple keypads to be provisioned to the local network. Simply provision one keypad, enable RAD, then join the other keypads to the network with the push of a button. Faceplates sold separately.

### Features

- Ambient Light Sensor - Detects the level of ambient light in the room and adjusts the LED brightness on the front panel
- Works with the auxiliary control for wired 3-way applications
- Fits standard decorator-style wall plates
- Communicates with an 802.11 b/g/n wireless network
- Supports 5 GHz and 2.4 GHz Wi-Fi bands
- Roaming Assisted Discovery (RAD) - Makes provisioning keypads faster, and more efficient
- Simple to configure and deploy using Blueprint Lighting & Shades Device Manager
