ProSeries Two-Way Wireless Outdoor Siren

PROSIXSIRENO

SKU: 170137    UPC: 194160000380

## Wide Range Siren

This Honeywell Home PROSIX Outdoor Siren from Resideo has a range of 300 feet nominal indoors and comes with LED indicators and mounting hardware. It is part of the PROSIX technology family, which gives users immediate and convenient access to important system functions.

## Features

- SiX sensors feature a battery pull-tab, auto-enrollment and no-touch adjust to speed installation and eliminate errors.
- Devices can be configured remotely as needed, reducing the need to schedule on-site visits.
- The System Health Check feature lets you monitor device signal strength, sensor settings, and battery life anytime, anywhere via AlarmNet 360, letting you quickly and proactively troubleshoot.
- SiX Two-Way Wireless Technology employs true, 128-bit AES encryption for a high level of security.
- Reduce truck rolls with user-replaceable batteries and the ability to remotely adjust sensor parameters and download software updates.
