SAVANT

EVO OS Runtime License - Mac Limited

OSL-LIMITED-00

SKU: 186250

A Savant EVO OS License for Apple Mac M2 Hosts is a universal runtime license required at the time of deployment for all new M2 Mac Hosts (SVR-5300S, SVR-6300S, SVR-6800S, SVR-7300S), compatible with da Vinci 10.4 and higher runtime software. The EVO Limited License unlocks a standard set of features.

EVO Licenses are one-time software licenses required for Host deployment. Additionally an active Savant Essentials subscription is required at the time of configuration upload for all EVO Hosts.
