Power Strip & Surge Protector

CAPS12-B1

SKU: 156288 UPC: 793795522078

The Sanus Component Series CAPS12 vertical power strip and surge protector features eight outlets with two specifically spaced for transformers. A 10' power cord adds versatility, and the 12U power strip easily mounts vertically on rear rack rails. All the pieces needed to mount the CAPS12 are included, making installation as easy as possible.
