

ILLUMIVUE™ BY MSTR

5MP IP Turret Camera with NightLight

IP5T-NL

SKU: IP5T-NL

Introducing the Illumivue IP5T-NL 5MP IP Turret with NightLight Camera, a cutting-edge surveillance solution that combines exceptional image quality, advanced features, and enhanced night vision capabilities. With its innovative technology and reliable performance, this camera provides superior security for a wide range of applications.

This camera captures clear and detailed images, ensuring that every important detail is recorded with precision. Whether you're monitoring a large area or focusing on specific points of interest, this camera delivers outstanding visual clarity, providing you with crisp and sharp footage.

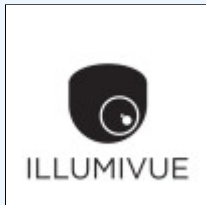

The IP5T-NL features NightLight technology, which features two bright LED lights and extra-large aperture that greatly improves the camera image in near-dark situations while deterring criminals. This innovative feature ensures that you capture detailed and accurate images even in complete darkness, providing you with 24/7 surveillance coverage.

Designed with a sturdy and compact turret form factor, the IP5T-NL blends seamlessly into any environment. Its discreet appearance makes it an ideal choice for both indoor and outdoor installations, providing reliable surveillance coverage while maintaining an aesthetic appeal.

The Illumivue IP5T-NL 5MP IP Turret with NightLight Camera is a versatile and reliable security solution. Its exceptional image resolution, innovative NightLight technology, robust turret design, and intelligent alerts make it the perfect choice for those seeking advanced surveillance capabilities.

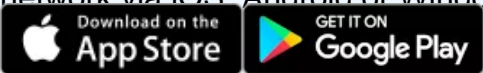

#### Features

- High quality image with 5MP, 1/2.7"CMOS sensor
- 5MP (2880\*1620)@ 25fps; 4MP (2560\*1440)@ 25fps; 3MP (2304\*1296) @25fps; 2MP (1920\*1080) @30/25fps
- 2.8mm @ F1.0 Fixed lens
- Ultra 265, H.265, H.264, MJPEG
- NightLight technology ensures 24-hour full-color images
- 120dB true WDR technology enables clear image in strong light scene
- Support 9:16 Corridor Mode
- Built-In MIC
- Up to 256 G Micro SD card
- IP67 protection (Indoor/Outdoor)
- Supports PoE power supply
