

# SAVANT

## Full Color Undercabinet Lightbar - 4 Pack

93131253

SKU: 187846    UPC: 04316856046

GE Smart Lighting Full Color Undercabinet Lightbar offers easy installation with direct wire or plug in, and control using the Cync app, Savant app, or with Matter. Connect lights totaling up to 500 watts with linking cables, or lights totaling up to 240 watts with recessed connectors.

The Undercabinet lightbar offers total smart home customizability in tandem with the Cync app, Savant App, or a Matter home.

When integrating with Savant - these devices are provisioned through Savant Power & Light app, programmed in RacePoint Blueprint, and controlled via the Savant app. Enjoy elegant GE smart lighting with all the comforts and features of the Savant app including Scenes, Daylight Mode, scheduling, remote access, and more.

Kit includes:

- Compatible with the Cync App, Savant app, and Matter
- Millions of colors
- Tunable white tones
- Exceptional color contrast and clarity
- Voice and out-of-home control
- Set scenes and schedules
- Supports up to 10 linked bars.
