SKU: 33146    UPC: 27557665087

Maestro Wireless RF Lamp Dimmers function much like standard dimmers and have an integral microprocessor, allowing them to be incorporated into Maestro Wireless solutions. Communication with the system is accomplished via radio frequency (RF). RF Lamp Dimmers are useful in locations where single plug-in lamps need to be dimmed. RF Lamp Dimmers incorporate advanced features such as fade on/fade off, slow fade off, and rapid full on.
