

SAVANT

4" Hi Lumen Reveal Wafer Smart Downlight

93131646

SKU: 187880

Savant GE Smart Lighting Hi Lumen Reveal Wafer Smart Downlights have a slim profile and remote junction box making these downlights easy to install without recessed can housing. Use millions of colors to change a room's aesthetic. The tunable white spectrum and Daylight Mode supports a natural sleep/wake cycle and creates the perfect scene for winding down or waking up. Get more out of lighting with out-of-home control and scheduling with setup options through Savant integration, the Cync app, or Matter.
