## GE Smart Lighting Dynamic Effects Entertainment BR30 Bulbs - 4 PK

93131630

SKU: 188006    UPC: 043168564533

GE Smart Lighting Dynamic Effects Entertainment BR30 Bulbs are the ultimate entertainment bulbs equipped with the ability to display Light Shows and Music Sync. Light shows allow the ability to perform colorful light displays while Music Sync feature adds a pulsing rhythm to the beat of music and sound. The Cync app includes multiple presets to choose from and the ability customize one from scratch. The BR30 bulbs also has the capability to display over 16 million colors or white tones, when not using Light Shows and Music Sync features. Get more out of lighting with out-of-home control and scheduling with setup options through Savant integration, the Cync app, or Matter.
