

Caseta Smart Home Lamp Dimmer and Pico Remote Kit

P-PKG1P-WH

SKU: 44859 UPC: 784276072083

Conveniently create just the right light for reading, watching TV or entertaining, with the Lutron Caseta Wireless plug-in lamp dimmer and Pico remote control. The plug-in lamp dimmer simply plugs into a standard outlet and can be used with up to 2 lamps. Control the lights from anywhere in the room by using the Pico remote control either in your hand, on a tabletop pedestal (sold separately) or by mounting the remote directly to the wall. You can even add a wall switch to control plug-in lamps without running wires or cutting holes using the Pico remote control with wall mounting kit and Caseta Wireless plug-in lamp dimmer. The remote lets you turn lights on/off as well as brighten or dim them. The remote also includes a button for saving your favorite light level. This dimmer works with up to 300-Watt of incandescent or halogen, 100-Watt of dimmable LED or dimmable CFL.

Features

- Works with Alexa, Google Assistant, Ring, and more (Smart Bridge required)
- Just plug dimmer into a standard outlet
- Connect up to two lamps per plug-in (both will be controlled together)
- Pico remote provides control of lights from anywhere in the home
- Pico remotes have a 10-year battery life
- You can add a point of control in 15 minutes
