

XL Universal Tool-Free Projector Mount

VCTUB

SKU: 78949 UPC: 841872172460

The VCTUB XL Universal Tool-free Projector mount was designed to install quickly while maintaining a sleek aesthetic. Lighter and slimmer than its predecessor the VCM the VCT works well with laser projectors between 50-150 lbs (22.7 ? 68 kg). Tool-free MicroZone adjustment ensures accurate and reliable image registration.
