SKU: 188002 UPC: 043168564724

GE Smart Lighting Reveal Full Color Downlights combine the enhanced clarity and bold colors of Reveal technology and the ability to choose from 16 millions colors. GE bulbs offer total smart home customizability in tandem with the Cync app, Savant App, or a Matter home. Reveal technology filters out dulling yellow light to provide incredible color contrast and whiter whites for exceptional clarity. It's perfect for living spaces, entertainment rooms, or any other space where clarity matters the most.
