

16-Channel Commercial Stream Video Recorder with 16 PoE Ports

ADC-CSVR2116P-1X6TB

SKU: 188270 UPC: 85003818622

Alarm.com Commercial Video is a powerful, easy-to-use solution for commercial properties that integrates with the Alarm.com for Business platform. As part of the platform, recorded video is automatically tagged with important events, like a door being accessed or an alarm activation. This allows you to quickly jump to footage of the event using the Alarm.com mobile app or website—anytime, anywhere. The CSV2008P Pro Series Commercial SVR is a cloud-managed storage solution for 24/7 local video recording. Continuously record up to 16 camera streams at up to 4MP resolution when using Alarm.com Pro Series cameras. The CSV2008P offers a built-in PoE switch to power and connect Alarm.com PoE cameras.

Features:

- Simplified networking with discrete RJ45 port for dedicated camera network
- Local storage on one or two hard drives
- Outputs for up to 2 4K monitors
- USB 3.0 outputs for fast video clip export
- Ethernet port for easy and efficient network connectivity
- Rack-compatible 1U design
