

SONANCE

Reference 5.25" 3-Way In-Wall Rectangle Speaker

93344

SKU: 188523 UPC: 041093933448

Enjoy rich audio quality with this Sonance Reference in-wall speaker. Individual crossover networks deliver clear, precise sound, while the mix-and-match configuration works with other Sonance components to create a complete home audio system. This Sonance Reference in-wall speaker fits in most standard wall cavities, creating a seamless look for your entertainment center.

Features

- 150W peak power handling: Helps ensure rich, dynamic sound.
- Two 5-1/4" carbon fiber woofers: Along with 1" ceramic tweeter for a complete range of sounds.
- 3-way speaker system: Sounds like 1 source rather than several separate sources.
- Removable grille: Remains acoustically transparent while protecting the speaker's components.
- Wall-mountable design: For flexible placement options.
- 20-1/2" H x 7-1/2" W mounting cut-out dimensions: Mounting depth: 3-7/8".
- 70Hz - 30kHz frequency response: Ensures a wide range of accurately reproduced sound.
- 90dB sensitivity: Ensures crisp, robust audio.
- 8 ohms nominal impedance: Ensures efficient conduction of power through the speaker.
