Halo Select Touchscreen Wi-Fi and  
Matter Enabled Smart Lock - Matte Black

998000-002

SKU: 188904    UPC: 88335190887

Meet Halo Select™, the smart lock that brings convenience, connectivity and security to your front door. Use the full-featured Kwikset® app to lock or unlock your home from anywhere, or choose to add Halo Select™ to your smart home via Matter for a seamless one-app experience. Keyless entry means you can ditch your keys, for good — unlock your door with the Kwikset® app or touchscreen, or let geofence technology unlock the door for you when arriving home. Sharing access with family and trusted guests is simple with the Kwikset® app, and real-time notifications gives you peace of mind they've locked up after leaving. Experience total control of your front door: Control your lock with your voice, check the event log any time and receive instant notifications for intrusion attempts. The interactive guided setup makes it easy to get started with Halo Select™, and installation only requires a screwdriver. When it comes to security and access control, you can trust Kwikset®'s 75 years of experience to deliver effortless protection and peace of mind.
