

16' Rackspace Ruler w/ Audio Tables

RULER

SKU: 15557 UPC: 65674702046

Middle-Atlantic's 16' Rackspace Ruler with Audio Tables quickly measures increments in rack space measurements (red) and in inches (black) down to a 1/32" scale. This durable mylar-coated retracting steel tape stretches 16' to give impeccable precision. With a handy thumb lock and tool-jack belt clip, this rack ruler is tougher than any other measurer, because it's built for the ultimate rack system builder.
