9" In-Wall TV Media Box - White

SA-IWBIWP1-W1

SKU: 189048 UPC: 793795540027

The 9-in TV media in-wall box is ideal for concealing and organizing media devices and power in wall to create a sleek, finished look. The perfect solution directly behind any wall mounted TV to store streaming devices like Apple TV, Roku, Amazon Fire TV, network switches and more. Constructed of Wi-Fi transparent material to manage wireless components with cable knockouts to help organize cables. Includes cover, trim ring and drywall clips, and cutting template for easy installation.

Features

- Stores streaming devices, modules, network switches and more.
- Includes box, trim ring, cover, hook and loop strap, extra mounting plate, complete instructions and cutting template.
- Mounting plate with 1.5" of elevation adds second layer of storage and accommodates larger devices.
- 15.87"W x 3.97"D x 10.8"H
