

CyberPower

Ecologic UPS Series

EC650LCD

SKU: 189574 UPC: 649532607594

A compact UPS with standby topology, the CyberPower Ecologic EC650LCD provides battery backup (using simulated sine wave output) and surge protection for desktop computers, workstations, networking devices, and home entertainment systems. During power interruptions, the EC650LCD offers reliable power protection and battery backup. When the battery backup detects that the computer is off or in sleep mode, computer peripherals connected to the ECO Mode, surge protected outlets will be automatically turned off, reducing power usage and lowering energy costs (USB connection required). The multifunction LCD provides immediate, detailed information about the UPS battery and power conditions and generates alerts of potential problems before they can affect critical equipment and cause downtime. The EC650LCD comes with a three-year warranty (including coverage of batteries) and a \$100,000 Connected Equipment Guarantee.

Features

- Capacity: 650 VA / 390 W
- Topology: Standby
- Waveform: Simulated Sine Wave
- Output: 120 VAC +/- 5%
- Runtime (half/full): 8.4 minutes / 2.8 minutes
- Plug type & cord: NEMA 5-15P, 5-ft. cord
- Outlets: 8 surge protected (1 surge only, 3 surge only with ECO Mode, 4 surge with battery backup)
- Outlet types: 8 x NEMA 5-15R
- Communication: USB
- Management software: PowerPanel® Personal
- Warranty: Three-Year
- Connected Equipment Guarantee: \$100,000
- ENERGY STAR® certified: Yes
