Slimline Touchpad PRO

RE667X-PRO

SKU: 189691

Give customers modern control of their smart security system with the Slimline Touchpad PRO home security touchscreen. With its 7" full-color touchscreen and the ability for wall mounting or tabletop display the Slimline Touchpad offers complete control of a smart security system from anywhere in the premises.

Arm and disarm the system, view cameras, control smart devices and initiate scenes all from the Slimline Touchpad PRO. Plus it looks the same as the Alula Smart Security app making it easy for customers to learn and use.
