

MW6 6.5" In-Wall Speaker

MW6

SKU: 169779 UPC: 810123025596

Featuring a 6.5"woofer, the MW6 is one of the most popular sizes of in-wall speakers. As with all Motion CI speakers, you will find the incredible Folded Motion Tweeter and woven fiberglass woofers that provide an incredible listening experience that won't break the bank. Whether your goal is to create a great sounding two-channel system, a state-of-the-art home theater or even just crystal-clear background music, the MW6 is a great performing speaker with an endless list of applications.
