

4-Gang GRAFIK T Faceplate Kit - Clear White Glass

LWT-GGGG-CWH

SKU: 69568 UPC: 784276002752

The GRAFIK T Architectural 4-Gang Wallplate provides a streamlined look to any home or office. Unlike regularly wallplates with visible screws, the Lutron GRAFIK T wallplate uses a two-part configuration that provides a clean, screwless look. The backing plate screws into the wall, while a front vanity plate easily snaps on the backing plate. Order your LWT-GGGG-CWH today or contact one of our certified lighting specialists for more information.

Features:

- Can be used in conjunction with Lutron GRAFIK T controls and New Architectural accessories
- New Architectural wallplates use standard ganging
